

CASE STUDY

Approval of a Licence for Alteration on behalf of Freeholder

Property:

Modern Offices Building

Location:

Chatham Maritime Estate, Kent

Client:

Company pension fund

Service Provided:

Licence for Alteration

Summary:

Alexander Harris were instructed to act on behalf of the Landlord to check and approve their tenant's application to undertake extensive alterations to the building including the installation of new comfort cooling plant. Alexander Harris liaised closely with the licensees design team and legal advisers to ensure that the correct procedures were followed and that the proposals would not adversely impact upon our Clients interest in the building as Freeholder.
