

CASE STUDY

Preparation of Planned Preventative Maintenance (PPM) Schedule

Property:

Public Swimming Baths

Location:

Faversham, Kent

Client:

Board of Trustees

Service Provided:

Planned Maintenance Schedule

Summary:

Alexander Harris were appointed by the Board of Trustees to prepare a 10 year planned maintenance schedule of the internal and external fabric of the building, which included the indoor pool, outdoor pool, changing rooms and ancillary areas. The schedule enabled the Trustees to secure much needed Local Authority funding.

Alexander Harris are currently providing further advice to the Trustees in relation to phased refurbishment and upgrade of the facilities.
